

GL Assessment

“We have worked with Stephen Austin & Sons for many years and they have become a central part of our approved supplier network offering a reliable and quality focused service.”

Renowned for their rigor and high quality, GL Assessment tests are used by over 85% of all UK primary and secondary schools every year. This makes it the UK's largest independent provider of educational assessments. GL Assessment enjoys an established reputation for high-quality assessment resources and services that teachers trust and they strive to create the most involving, dynamic digital and paper assessments for today's schoolchildren.

Utilising our printing, storage and distribution services, Stephen Austin & Sons have helped GL Assessment grow over the past ten years by offering a flexible and reliable service around some of the UK's market leading assessment products. From complex multi item packs to secure test papers we have delivered to an evolving product set and ensured the quality and service remain constant.
